

MALVERN WASTE TREATMENT PLANT DELIVERY INFORMATION

LOCATION

Malvern Clinical Treatment Plant, Hangmans Lane, Hanley Castle, Worcestershire, WR8 0AJ

Please note that the sat nav/post code for the Malvern plant does not take you direct to the site.

To access Hangmans Lane, you must enter and exit from the West, on Hanley Swan Road and avoid the B4211 route.

PROCESS

All deliveries must agree a time slot beforehand.
Call **01992 666257** or email **sales@andusia.co.uk** to arrange this.

Trucks must report to the site office on entrance to the plant.

Note all drivers must have a site induction on their first visit to the plant.

Due to Covid-19, all visitors to site will have a temperature check on entry.

PPE REQUIREMENTS

PPE requirements include hard hat, safety glasses, hi vis vest/jacket, safety gloves, safety boots and long trousers.

There are no Covid-19 PPE requirements on site due to being outside, however please adhere to social distancing rules.
